SOURDOUGH PIZZA

OUR DOUGH

We believe in pizza with principles, that's why Wildfarmed is the perfect partner for our flour. Our dough is made fresh on site every day with this bespoke flour created specifically for us by Wildfarmed.

Wildfarmed fields are full of birds, bugs and bees - they're full of life. Which means their flour is naturally nutritious, captures carbon in the soil, and restores wildlife, while helping to reduce droughts and floods. It's free from all nasty chemicals and makes our slow fast food taste even better than before.

We use 100% recycled paper and vegetable-based inks.
Menus are recycled after use.
