**IMPORTANT! PLEASE READ BEFORE ORDERING**

Allergies and special dietary requirements are taken very seriously at Franco Manca. We work closely with our suppliers to ensure that our information is correct and customers with allergies feel reassured that we will look after their needs properly.

Our recipe information is frequently updated so please check each time you visit to ensure that you have the most up to date recipes.

Whilst every care is taken with your meal, we cannot guarantee a 100% allergen free environment, nor can we guarantee against the processes used by our suppliers or products which may be produced in an environment with other allergens. Where an allergen ingredient is included as part of the recipe, this will be specified and indicated by a tick, however it is possible that dishes may contain traces of other allergens not included on the main ingredients list. Please ask to speak with a Manager for more information.
